Brachiosaurus

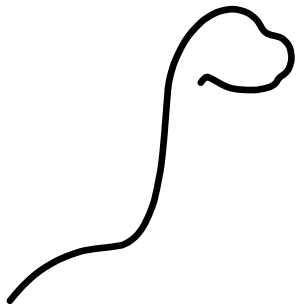

Coloring tip

Try a leaf green body, a pale yellow stripe down the neck and darker green spots. A few tall trees for it to nibble finish the scene.

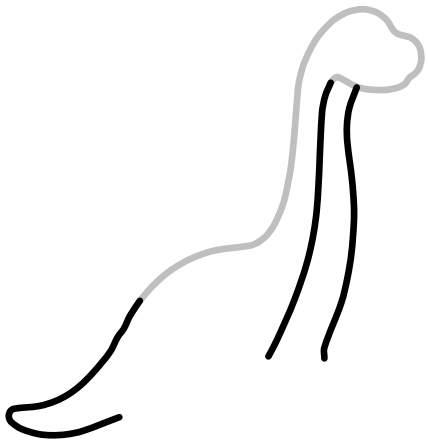

How to Draw a Brachiosaurus

A tall, friendly brachiosaurus with a very long neck, a striped throat, spots on its back and a long sweeping tail.

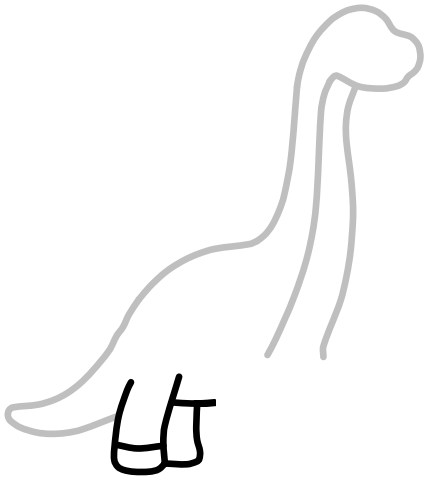

1 Steps 1-3

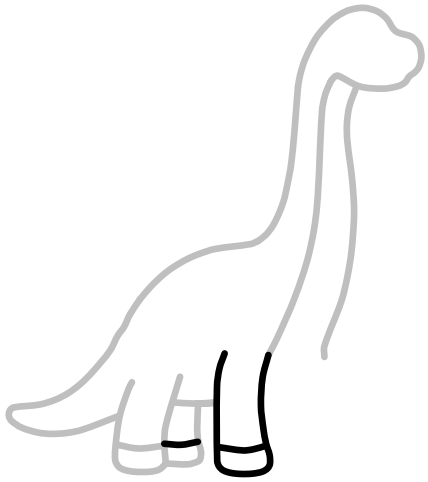

2 Steps 4-6

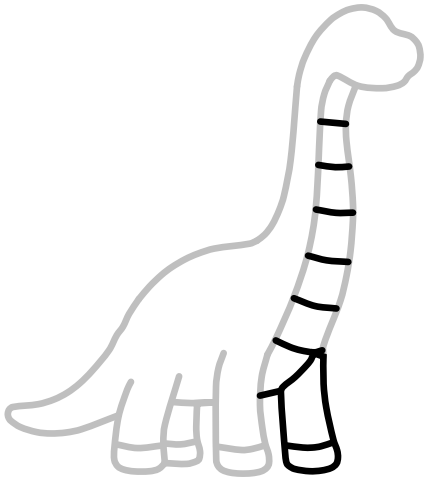

3 Steps 7-9

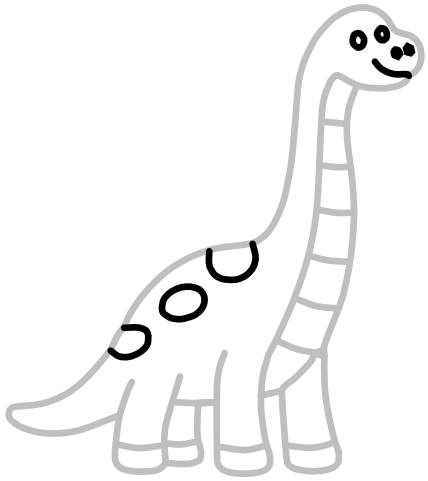

4 Steps 10-12

5 Steps 13-15

6 Steps 16-18

Trace the Brachiosaurus

Go over the gray lines, then color it in.
