Pterodactyl

Coloring tip

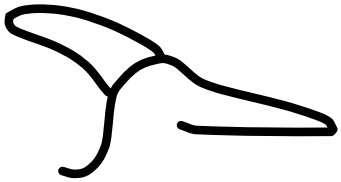

Try an orange body with lighter orange wings and a red crest. A blue sky and a few clouds make it look like it is flying.

Draw it line by line at trydrawalong.com/draw/pterodactyl

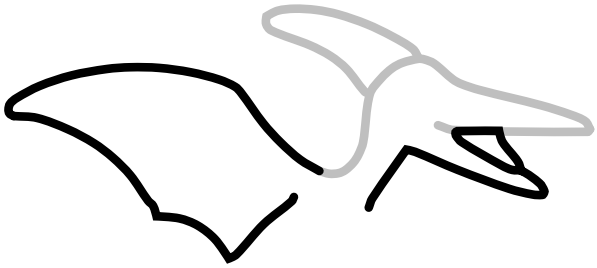

How to Draw a Pterodactyl

A flying pterodactyl with wide wings, a pointed crest, a long open beak and little feet tucked underneath.

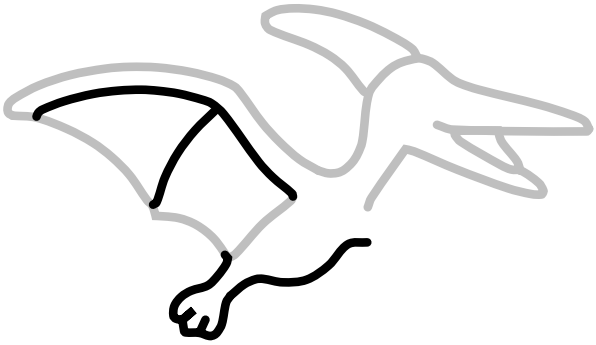

1 Steps 1-3

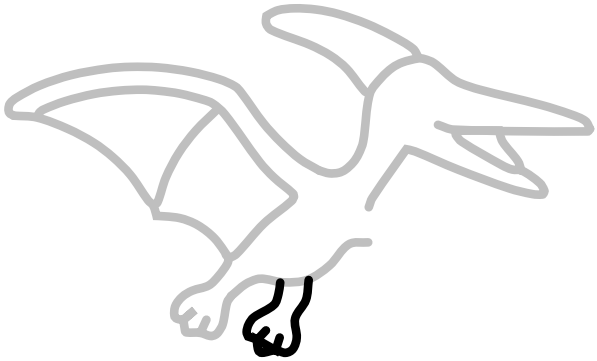

2 Steps 4-6

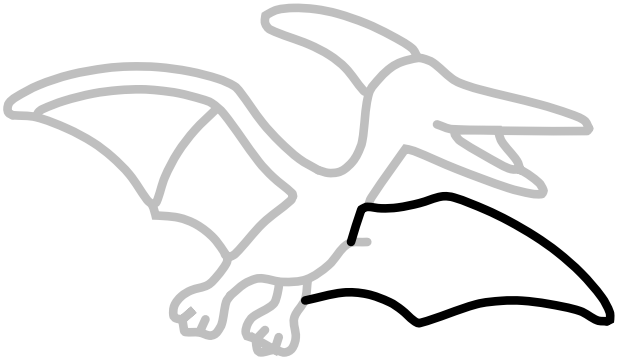

3 Steps 7-9

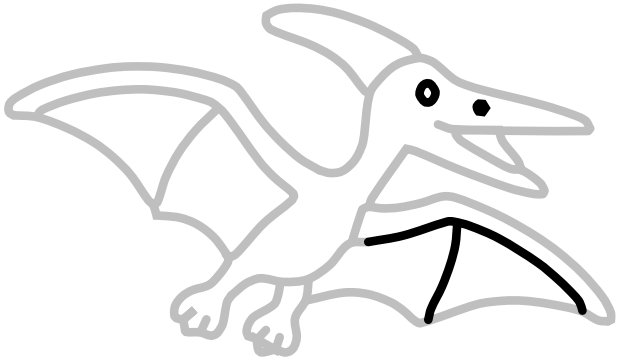

4 Steps 10-11

5 Steps 12-13

6 Steps 14-15

Trace the Pterodactyl

Go over the gray lines, then color it in.
