

Robot

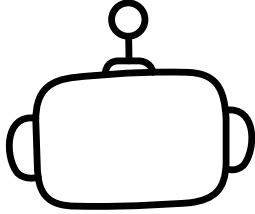

Coloring tip

Try blue and silver metal, yellow joints, a pale control panel and bright colored buttons.

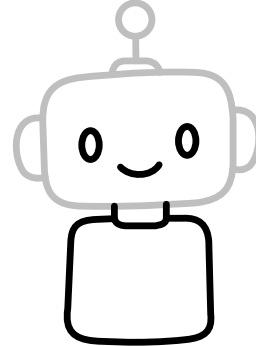

How to Draw a Robot

A friendly robot with a rounded square head, an antenna, a three-button control panel, jointed limbs and two pincer hands.

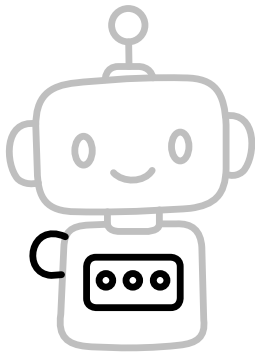

1 Steps 1-6

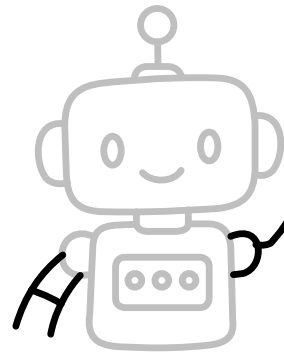

2 Steps 7-11

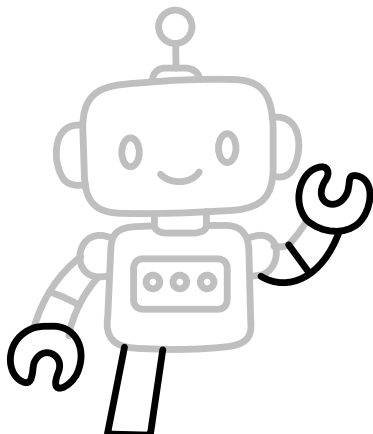

3 Steps 12-16

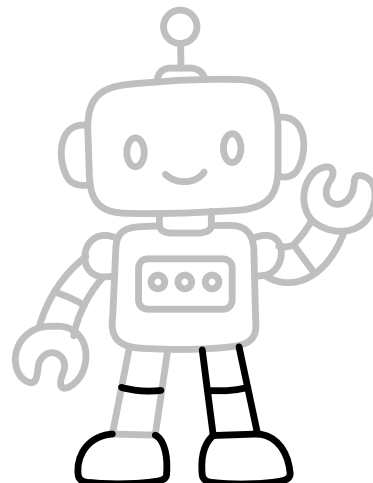

4 Steps 17-21

5 Steps 22-26

6 Steps 27-31

Trace the Robot

Go over the gray lines, then color it in.
