Star

Coloring tip

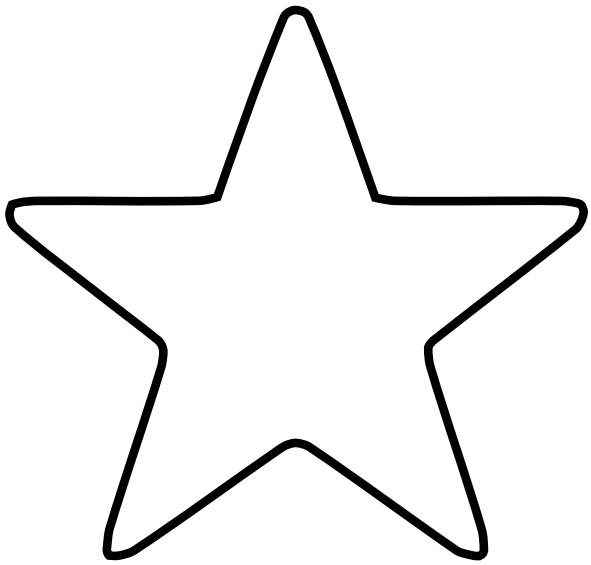

Try sunshine yellow for a classic star, or make it a sparkly gold, silver or rainbow star. Add a few small stars around it to make a night sky.

Draw it line by line at trydrawalong.com/draw/star

How to Draw a Star

A big, bold five-pointed star drawn in one smooth line, the perfect first drawing for little hands.

1 Step 1

Trace the Star

Go over the gray lines, then color it in.
