

T-Rex

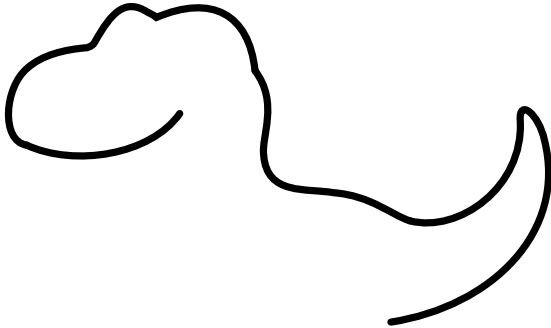

Coloring tip

Try a light green dinosaur, slightly darker for limbs, white teeth and dark eyes.

How to Draw a T-Rex

A friendly upright T-Rex with four separate teeth, two tiny arms, two stomping legs and a long raised tail.

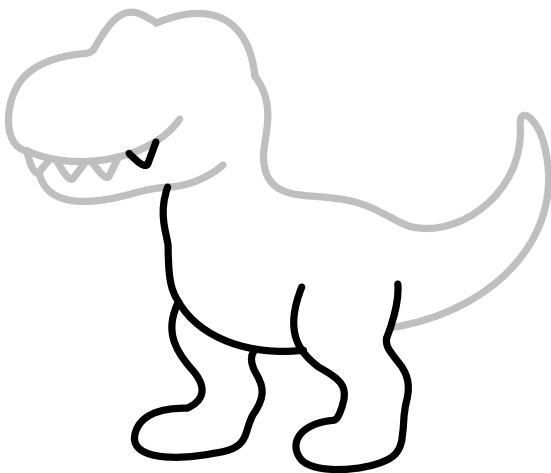

1 Steps 1-4

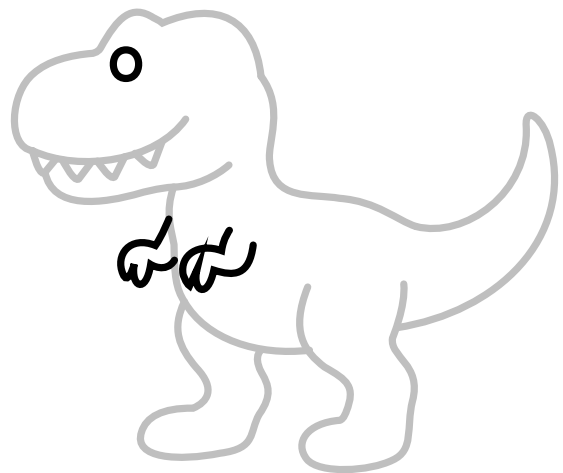

2 Steps 5-8

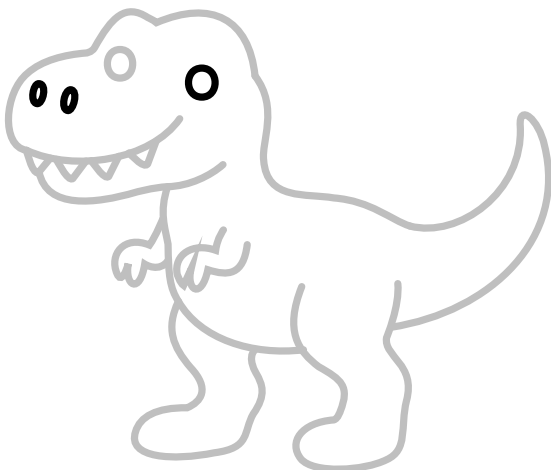

3 Steps 9-12

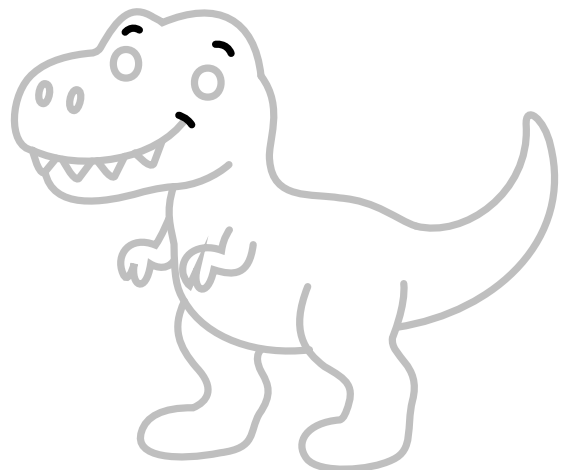

4 Steps 13-15

5 Steps 16-18

6 Steps 19-21

Trace the T-Rex

Go over the gray lines, then color it in.
